Frequently Asked Questions

What is Arts Award?

Arts Award is a national qualifications framework of five levels which is open to all children and young people aged from 5 to 25 years, inspiring them to develop their arts and leadership talents in a creative and accessible way.

Arts Award Discover is the introductory award. To achieve Discover, children and young people discover all about the arts world: from music to painting to film-making! Participants find out about artists and their work, record it in a log book and share their experiences with others, gaining a certificate at the end. Brighton & Hove Music & Arts is an Arts Award Centre and Supporter. We believe passionately in the many benefits of taking part in music and the arts, and aim to support all children and young people to achieve their potential through our programme of high quality, creative courses. We feel that Arts Award offers participants this opportunity whilst at the same time achieving a nationally recognised qualification.

What does it cost?

The fee for taking part is £30.00 per child. This includes the cost of an Arts Award log book and the Discover certificate for each child.
